Mass ABHA creation and ABDM awareness drive in higher educational

institutions - reg

Ref:

D.O.No. S-12019/96/2020-NHA dated: 26/10/2022 (enclosed for ready reference)

Dear Sir/Madam,

Ayushman Bharat Digital Mission (ABDM) was launched nationally by the Hon'ble Prime Minister of India on 27th of September 2021. It aims to develop the backbone necessary to support the integrated digital health infrastructure of the country. As of today, around 34.5 crore Ayushman Bharat Health Accounts (ABHAs) have been created and 25.85 crore digital health records have been linked with ABHA.

Considering the tech-savvy nature of the youth of our country, ABDM would enable them to have ready access to their comprehensive health records and would assist them in seeking the best health care solution for themselves. Creating ABHA for them and making them aware of the ABDM ecosystem through their educational institution will help them in the development of their longitudinal health records.

A.C.S., 3221 18171

In the above referred letter dated 26th October, it was requested that a mass ABHA creation and ABDM awareness drive may be initiated in all the higher educational institutions in your State/UT focusing on creation of ABHA and linking of digital health records. This will provide lifelong benefits to the students and will also strengthen the digital healthcare ecosystem of the

(दिव्य प्रकाश गार) स्टॉफ आफिसर, It is requested to share the actions taken with regards to the aforementioned letter. Dr. Akshay मुख्य सचिव, Jain, Joint Director, NHA [email id: jd.coordl@nha.gov.in] can be contacted for further उत्तर प्रदेश शासन्ध्राहीcation and information.

With regards,

Formation.

Dr. R.S.Sharma Chief Executive Officer National Health Authority Ministry of Health & Family Welfare

D.O.No.S-12019/96/2020

Dated 26th October, 2022

Subject: Mass ABHA creation and ABDM awareness drive in higher educational institutions - regarding.

The Ayushman Bharat Digital Mission (ABDM) aims to develop the backbone necessary to support the integrated digital health infrastructure of the country. It will bridge the existing gap amongst different stakeholders of healthcare ecosystem through digital highways, making healthcare available, accessible and affordable. As you may be aware, ABDM has successfully completed one year of nationwide implementation. During this phase, about 25 crore Ayushman Bharat Health Account (ABHA) have been created and more than 2 crore digital health records have been linked to citizens' ABHA.

- 2. The interoperable platform created through ABDM enables creation of longitudinal electronic health records for every citizen. Through ABHA and ABDM enabled Personal Health Record (PHR) applications, citizens shall have the facility to link, securely store and access their medical records digitally. This gives citizens complete control over their health records and ability to choose what to share with their healthcare providers. The youth of our country are tech-savvy and wants everything at a click. ABDM would enable them to have ready access to their comprehensive health records and would assist them in seeking the best health care solution for themselves. Creating ABHA for them and making them aware of the ABDM ecosystem through their educational institution will help them in the development of their longitudinal health records.
- 3. There are a number of applications through which ABHA can be created. These include ABHA App, Aarogya Setu besides other applications developed by private players like Paytm, Driefcase and ekacare. The procedure for creation of ABHA is annexed herewith for your reference.

!877534/2022/ABDM-NHA

-: 2:-

Therefore, it is kindly requested that a mass ABHA creation and ABDM awareness drive may be initiated in all the educational institutions in your State/UT focussing on creation of ABHA and linking of digital health records. This will provide lifelong benefits to the students and will also strengthen the digital healthcare ecosystem of the country. Dr. Akshay Jain, Joint Director, NHA [email id: jd.coord1@nha.gov.in] can be contacted for further clarification and information.

Yours sincerely,

(K.Sanjay Murthy)
