**Instructions for Allocation of Supervisors**

(a). The allocation of the supervisor for a selected student shall be decided by the department or institute in a formal manner depending on the number of student per faculty member ,the available specialization among the faculty supervisors and the research interest of the student as indicated during interview by the student. The allocation of supervisor shall not be left to the individual student or teacher.

(b) On successful completion of course work, the student shall interact with Ph. D supervisors with vacant seats available in his chosen broad sub-discipline and shall submit an application for Ph.D work along with a list of three proposed supervisors with vacant Ph.D. seats and expertise in the area covered in his synopsis in the Department or Institute.

(c).The allocation of the supervisor for an eligible student shall be decided by the **counseling committee comprising of – the Dean or the Director of institute or Principal of a college, Head\In-charge of the Department and prospective supervisors** by the method stated in (a).
